

**Call for MSc students, PhD students, Residents, Postdoctoral fellows,  
Research Professionals and Regular Members to apply to –  
*ANZOS-ASLM-ICCR 2019 - A joint National and International  
Conference on Obesity and Related Chronic Diseases***

Created in April 2012 by the Fond de Recherche du Quebec – Santé (FRQ-S), the **Research Network on CardioMetabolic health, Diabetes and Obesity** aims to promote research excellence, knowledge development and knowledge sharing in these areas to improve the quality of life of Quebecers

The network launches a call to Master and PhD students, Residents, Postdoctoral Fellows, Research Professionals and Regular Members to enter the contest – *ANZOS-ASLM-ICCR 2019 - A joint National and International Conference on Obesity and Related Chronic Disease*, convention to be held **October 16-18, 2019 at the International Convention Centre, Sydney, Australia** (*meeting information: <http://anzos-aslm-iccr.org/>*). The four(4) selected candidates must make an oral or poster presentation (*determined by the organization of the congress*).

The congress describes itself as follows: *This conference will feature a diverse and vibrant group of established international and national experts. You will have direct access to opinion-leaders, experts and key decision makers which will afford an invaluable opportunity to gain knowledge, foster relationships and create networks.*

The CMDO Network will refund up to \$1750 to the participant for the transportation, accommodations and/or inscription costs. All other costs shall be borne by the participant and/or its director.

The CMDO Network is associated with the International Research Chair in Cardiometabolic Risk (ICCR - Director: Jean-Pierre Després). This Chair organizes an annual international conference and the network contributes to it actively, through the participation of its members as lecturers or participants as well as through its support for scientific activities.

***The deadline for submitting applications is June 14, 2019.***

The eligibility criteria and the method of evaluation are described below. Applications submitted late, incomplete or which do not meet the eligibility criteria will not be evaluated. Selected applicants will be contacted **no later than June 20<sup>th</sup>**.

**Eligibility criteria :**

- 1) Be a Master student, PhD student, Resident, Postdoctoral Fellow, or Research Professional whose research director is a **regular member** of the CMDO Network. The research director

must be a member of the network before applying to the competition. **Regular CMDO members** are also eligible for this competition.

- 2) Have a research project related to cardiometabolic health, diabetes and/or obesity.
- 3) Excellence and implication :
  - a. Depending on the CV provided (FRQS CV with detailed contributions section).
- 4) For Students/Trainees - Demonstrate a motivation to pursue a research career in one of the Network's theme areas: Cardiometabolic Health, Diabetes and Obesity.
- 5) Selected participants will be required to submit a scientific abstract at this conference which will take place from 16 to 18 October 2019 in Sydney, Australia (deadline for abstract submission: June 21<sup>st</sup> 2019)
- 6) Please note that a Student/Trainee/Resident/Research Professional/Regular Member can only be a winner for the ICCR meeting competition once.

#### **Material required when submitting an application:**

- 1) Competition application form - *ANZOS-ASLM-ICCR 2019* completed online (see below). For Students - This document includes the research director's letter of support (*this letter can be included in the form directly or communicated (in PDF format) by email to [concours@rrcmdo.ca](mailto:concours@rrcmdo.ca)*).
- 2) *Curriculum vitae* FRQS version (*with detailed contributions section*) of the candidate. Communicate this document directly to [concours@rrcmdo.ca](mailto:concours@rrcmdo.ca).

#### **Application Assessment Process:**

The executive committee of the network will evaluate all applications submitted. Contest results will be announced **by June 20th**.

Any request for additional information can be sent to the FRQS CardioMetabolic, Diabetes et Obesity (CMDO) Health Research Network, Faculty of Medicine and Health Sciences, Université de Sherbrooke, Endocrinology Department, CRCHUS, Tel: 819- 346-1110 ext 12703, email: [info@rrcmdo.ca](mailto:info@rrcmdo.ca).

## Description of the electronic form

# **Call for MSc students, PhD students, Residents and Postdoctoral Fellows, Research Professionals and Regular Members to apply to – ANZOS-ASLM-ICCR 2019 - A joint National and International Conference on Obesity and Related Chronic Diseases**

**[THE FORM MUST BE COMPLETED ONLINE, CLICK HERE](#)**

### **1. GENERAL INFORMATION:**

**Main theme of the candidate's research project (only one choice):**

**Secondary theme (s) of the candidate's research project (Several possible choices):**

**Which axis (s) of research among these are affected by this request for funds:**

**Name of candidat :** Ex. BERGERON, Lucien Junior  
*max. 100 characters, spaces included.*

**Affiliation:** Ex. Faculty of Medicine and Health, Université de Sherbrooke, Sherbrooke.  
*max. 250 characters, spaces included.*

**Level of Study / Status:** *Choose between Master's, Doctorate, Resident, Postdoctoral, Professional Research or Regular Member*

**Current study program (if applicable):** *eg Cell Biology Program. max. 120 characters, spaces included.*

**Email:** *max. 100 characters, spaces included.*

**Name of Research Director (s) (if applicable):** *eg CARPENTIER, André and RICHARD, Denis.*  
*max. 400 characters, spaces included*

### **2. SCIENTIFIC SUMMARY OF THE RESEARCH PROJECT:**

**The participant must provide a summary of his research project (same format as an abstract in a congress).**

The abstracts are in ENGLISH only (reference site: <http://anzos-aslm-iccr.org/abstracts/>)

*max. 300 words : The title, the authors and the affiliation are not counted in the number of words .*

### **3. MOTIVATION:**

**The participant must provide a description of the reasons which motivate him to participate in this congress, in connection with his career plans** (Justification of the relevance of your participation (visibility, knowledge transfer, etc.). *max. 4000 characters, spaces included*

#### **4. LETTER OF SUPPORT - RESEARCH DIRECTOR:**

**For Regular CMDO Members, indicate n / a.**

**The research director must provide a letter of support for participation in this ANZOS-ASLM-ICCR 2019 conference** (and mention financial support to cover the costs not reimbursed by the CMDO (eg registration)). *This letter can be integrated into the form directly or communicated (in PDF format) by email to [concours@rrcmdo.ca](mailto:concours@rrcmdo.ca). If so, please indicate it in the text box.*

*max. 4000 characters, spaces included.*

#### **5. CURRICULUM VITAE:**

**Provide a FRQS version CV (including the Detailed Contributions section) by email to [concours@rrcmdo.ca](mailto:concours@rrcmdo.ca).**
