

Hello CMDO members,

19 messages:

### Good news:

1. **Sepsis Canada / CMDO Network Partnership:**
  - a. Two new competitions:
    - i. **Trainee Support: Intercenter Mentorship And Project Sepsis Canada/CMDO** - Information to come - (20k for one year) – **Deadline to apply November 10<sup>th</sup>, 2021** ;
      - This competition is open to doctoral students, postdoctoral fellows and residents;
    - ii. [INITIATIVES STRUCTURING intercentres SEPSIS CANADA / NETWORK CMDO \(\\$ 40k for one year\)](#) - **Deadline to apply December 1<sup>st</sup> 2021** ;
  - b. **ZOOM webinar with Sepsis Canada - September 16 at 12 noon** (bilingual event, mainly in English), in order to present the 2 intercenter programs that we have set up through this partnership;
    - i. Dr Claudio Martin will give a brief presentation of the Sepsis Canada project he is leading, which focuses on the interaction between diabetes, obesity and sepsis, and will describe how the CMDO can participate;
    - ii. **Please refer to the poster to register (free registration required) - [Click HERE](#)** .
2. **New CMDO competition – [INITIATIVES INVOLVING A RESEARCH PLATFORM](#) (\$ 10k - **Deadline to apply December 1, 2021** ):**

  - a. This program will fund a research project that uses a Quebec research platform (up to \$ 10,000);
  - b. For full details, please consult the program guide - [Click HERE](#) , *Guide 2021* icon ;
  - c. In addition, the platforms that will be used in this competition must appear on our list of eligible platforms (list in preparation, available on request at [concours@rrcmdo.ca](mailto:concours@rrcmdo.ca) );
  - d. ***Please let us know of any platform that might be involved in your research projects (with contact details)... and we will contact them.***

3. The contest **INITIATIVES INTERCENTRES OF THE CMDO NETWORK IN PARTNERSHIP WITH THE CENTER OF EXCELLENCE FOUNDATION OF STARS IN CHILD OBESITY** is back and will be launched in the coming weeks;
  - a. Thank you once again to the [Foundation of Stars](#) for its research support in childhood obesity;
  - b. More details to come.
