

Hello CMDO,

10 messages:

Good news:

1. I am pleased to inform you that **Dr. Lise Gauvin** is the **2022 laureate of the SQLNM Jean-Davignon and Paul-Lupien Founders Award**:
  - During the 2022 Scientific Meeting (Friday 11 Feb. 2022), Dr. Gauvin will tell us about his scientific career as well as his accomplishments:
    - *Promoting physical activity to prevent cardiometabolic diseases and obesity: challenges, achievements and future perspectives;*
  - **Congratulations Lise!!**
2. More than **1000 views** for our video commemorating the **100<sup>th</sup> of the discovery of insulin** (Click [French](#) / [English](#) version) - *Share in your networks!*
3. The students of the CMDO ***Student Initiatives Committee*** participate in the writing of a text published in the **Acfas SAVOIRS Bulletin (French text)** - ***Finding one's place in a large research network;***
  - Thanks to **Sofia Laforest** and **Dominic Chartrand**.
4. With the update of the networks program which is underway, the FRQS informs us that ***the CMDO Network is renewed until March 31, 2024!***

General CMDO information:
